

# COVID-19 Protocols

## COVID-19 Protocols for in-person gatherings

Given the uncertainty and continued spread of the COVID-19 virus, we are asking everyone attending an in-person event to observe the following guidelines:

1. Wear a mask in indoor settings.
2. We require a negative COVID-19 test within 36 hours of the event.
3. All attendees must sign a Covid-19 waiver.

To facilitate the ease of entry, ensure safety and privacy, Surge is using the [bindle](#) health verification app.

- Please download the app to your smartphone [here](#) before attending the in-person session.
- Search for Surge Institute to create your entry pass.
- There are step-by-step instructions in the app and additional information is available [here](#).

We know testing can prevent the spread of the disease to others.

All negative tests, including at-home, over the counter tests can be uploaded to the bindle app for entry.

Residential households are eligible for 3 orders of free at-home tests. Order test kits [here](#).

If you have symptoms of COVID-19 or have been exposed to the COVID-19 virus, please stay home and take care of yourself. [Coronavirus symptom checker](#)
